ACADEMIC ACHIEVEMENT

We are delighted to report that our learners have shown remarkable academic progress this term. Their consistent effort, discipline and timely design coverage have borne commendable results. Pupils have come home with Academic assessment progress reports. Please take time to review the assessment outcomes with your child and support them in addressing any area of weakness.

Each pupil has been given adequate homework to sustain their academic rhythm during the holiday. Kindly ensure it is completed before resumption.

COMPETENCE BASED EDUCATION

We are pleased to announce that our school is now fully committed to the successful implementation of the competency-Based Education (CBE). This year, we celebrate a major milestone as we present the pioneer Grade 9 the first candidates under this new curriculum. We are confident that the strong foundation laid will enable them to excel in their upcoming assessment and beyond.

Students in Grade 3,4,5,7 & 8 have successfully completed the KNEC School Based Assessments. The results are currently being uploaded to the official KNEC portal. We appreciate the hard work of both the teachers during the process and look forward to the next step in their academic journey.

Please note that the updated booklist for the next grade is attached to this newsletter.

ADMISSIONS AND INTERVIEW

Interviews are open for all classes from 10th November, 2025 to 7th January 2026. This will be done throughout the week from 8:00 Am to 4:00 pm except on weekends and public holidays.

CO-CURRICULAR ACTIVITIES

This year, our learners excelled beyond the classroom, shining in Music, Drama, Swimming and ball Games – reaching National Level competitions with pride and passion. Their achievements reflect discipline, teamwork and determination. We encourage every learner to join clubs and co-curricular activities such as Debate, Scouts, Red Cross, Environmental Club, and Journalism. These programs build confidence, leadership, and creativity – shaping well-rounded learners ready to face the future.

FEES PAYMENT

We thank the parents who have paid school fees on time since this has enabled the school to operate with minimal constraints. There has been a slight adjustment in school fees to support the effective implementation of Competence Based Education and maintain quality learning services.
