END-OF-ACADEMIC-YEAR NEWSLETTER — 2026

Dear Parent/Guardian,
As we draw the curtain on the 2026 academic year, we give thanks to Almighty God for His abundant grace, protection and provision throughout the year. We sincerely appreciate your continued trust, partnership and support which have contributed significantly to our learners' growth and the progress of our school.

1. TERM ONE OPENING DATES — 2027

The school will reopen for Term One of 2027 as follows:

- **Wednesday, 6th January 2027: Opening day for boarders.**
- **Thursday, 7th January 2027: Opening day for day scholars.**
- **Friday, 8th January 2027: Reporting for new admissions.**
- **25th February – 1st March 2027: Half-term break.**
- **Friday, 2nd April 2027: Closing day.**

Parents and guardians are encouraged to prepare adequately and ensure that learners report on the stipulated dates with all the necessary requirements.

2. ACADEMIC ACHIEVEMENT AND PROGRESS

We are delighted to report that our learners have made commendable academic progress throughout the year. Their dedication, discipline, consistent effort and the commitment of our teaching staff have contributed to this progress.
We encourage you to review their child's assessment reports, celebrate their achievements and work closely with teachers to address any identified areas of need. Academic success is a shared responsibility that thrives on collaboration between the school, parents and learners.
Learners have been assigned appropriate holiday work to reinforce concepts covered during the term and maintain academic momentum. Kindly ensure that all holiday assignments are completed before schools reopen.

3. NEW LEARNER ENRICHMENT PROGRAMME — 2027

We are excited to announce the introduction of new learner enrichment program in 2027. This program is designed to complement classroom learning, nurture individual talents and equip learners with relevant skills for an increasingly dynamic and technology-driven world.
The program will include:

a) Coding, Robotics and Artificial Intelligence

Learners will be introduced to coding, computational thinking, problem-solving robotics and Artificial intelligence. The program will nurture creativity, innovation, logical reasoning and technological literacy. This is a program for grade 1 to 9 only at a fee of **2,000/= termly payable to school Ncba bank / paybill Account.**
We encourage parents to support their children in taking advantage of these enriching opportunities.

Wishing you a Merry Christmas and Happy New Year 2027

4. ADMISSIONS AND INTERVIEWS

Admissions and interviews for the 2027 academic year are open for prospective learners across the various classes.

Parents and guardians seeking admission are welcome to visit the school for enquiries, interviews and guidance on the admission process. Interviews will be conducted from 5th November 2026 to 7th January 2027, from 8:00 a.m. to 4:00 p.m., excluding weekends and public holidays.

5. CO-CURRICULAR ACTIVITIES AND TALENT DEVELOPMENT

We are proud of our learners' achievements beyond the classroom. Throughout the year, they have demonstrated remarkable talent, teamwork, discipline and determination in music, drama, swimming, ball games and other co-curricular activities earning opportunities to compete up to the national levels.

These accomplishments reaffirm our belief that education extends beyond academic performance. We encourage every learner to participate actively in clubs and societies and other available activities. Such experiences nurture leadership, confidence, communication, creativity, teamwork and responsible citizenship. We remain committed to providing an environment in which every learner can discover, develop and showcase their talents.

6. TRANSPORT

We sincerely appreciate the support of our parents in ensuring the smooth transportation of your children. Please note that starting next year 2027, we will not pick up pupils on opening days. However, we will continue to drop students during mid-term and end of term breaks.

7. DRESS CODE

We kindly remind you of the importance of ensuring that all students wear correct uniform as it fosters a sense of belonging and discipline. Ensure that your child is dressed in the full school uniform each day as outlined in our school guidelines as no civilian clothes are allowed in school.

8. SCHOOL FEES

We thank the parents who paid school fees on time since it has enabled the school to operate with minimal constraints. Our school fees policy stipulates that fee should be paid in full on or before beginning of the term.

9. ACKNOWLEDGEMENT

As we conclude the 2026 academic year, we extend our heartfelt appreciation to our parents and guardians. Together we celebrate another successful milestone and look forward to a greater 2027

Thank you and may God bless you.

Yours faithfully,

Dennis Owino
PRINCIPAL

Wishing you a Merry Christmas and Happy New Year 2027
